

CONDITIONS FOR GRANTING CONTRACTUAL CLUB DISCOUNTS TO DOG AND CAT BREEDERS

Genomia will grant the members of dog and cat breeding organisations a **discount of 10%** on genetic tests ordered on-line on our web pages.

Conditions for granting a discount:

- The customer is a member of a Club registered with Genomia - this fact is to be noted in the order. The laboratory is entitled to contact the contact person of the relevant breeding organisation for the purpose of the membership verification.
- The discount cannot be claimed retrospectively, the customer shall ask for the discount during order placement.
- The 10% discount is deducted from the total price of the genetic tests. The discount will be deducted after order confirmation.
- The genetic tests are ordered online.
- The discount does not apply to additional services.
- The discount does not apply to serological and immunological tests.
- During sample taking it is necessary to check the identity of the individual – to this purpose, the form available at websites is to be used.
- The order processing is governed by the general business conditions of the laboratory.
- Club discount 10% can be added to the quantity discount granted for ordering of 20 and more genetic tests (for details about the quantity discount see the Service Price List).
- The club discount of 10% is not added to the individual loyalty discount.

Would you like to obtain 10% discount for your breed club? Fill in the form on <http://goo.gl/inVqcq> and register your club. The right for discount is not provided by state laws. Changes reserved.
